# Two Thousand Thirteen!

## Yearbook Cover Designers

Jessica Landine and Nicholas O'Connor

Leominster High School has always represented itself in a positive way. The 2013 yearbook staff came up with a theme that is easy to understand and recollect all the positive memories of our time at LHS. Our theme this year is a playlist that symbolizes our journey throughout high school. Every song is dedicated to each section portrayed in the yearbook. We hope that all your memories of Leominster High School were great and we wish the best of luck to the graduating seniors of 2013. It may seem to be the end of our adolescence, but it marks the beginning of a marvelous future.

# Class History

## Freshmen Year

As newbies coming into LHS, the class of 2013 took our first steps in August 2009. Throughout the year we tried finding who we were, whether it was in sports, theater, or any other club. We voted for our first class officers: President Rocco Daigneault, Vice President Nichole Comeau, Secretary Amanda Woodward, and Treasurer Taryn Shipp. We also voted our homecoming King and Queen: Kelsey Szarek and Garrett Dellechiaie. We attended our first Thanksgiving game as freshman against Fitchburg and won 21-6. After finally settling in and getting use to high school life, the year was almost over. We became more excited for next year and to no longer be the fresh meat.

## Sophomore Year

No longer the underdogs, the class of 2013 walked into LHS with no worries. We went back to reconnect with friends we didn't see over the summer and started our sophomore year in September 2010. We again voted for our class officers: Sean Boyden as our new President, Nichole Comeau as our Vice President, Amanda Woodward as Secretary, and Wesley Young as Treasurer. Just around the corner was homecoming, we voted Amanda Woodward and Garrett Dellechiaie as our King and Queen. Attending our second homecoming we won against Fitchburg once again. The Theatre Company put on two awesome shows this year, "The Music Man" and "Almost Maine". As the end of the year came, we realized we were half way done our high school years.

# Of 2013

## Junior Year

In August 2011, we entered LHS no longer underclassmen. WE voted for our class officers once again, Sean Boyden as President, Nichole Comeau as Vice President, Wesley Young as Treasurer, and Amanda Woodward as Secretary. Our football team took us to another victory against Fitchburg at the Thanksgiving game, but it didn't end there. The team furthered and won the super bowl with a score of 21-6. The construction went under way, it was difficult at first but we held in. The theatre company put on "How to Succeed in Business Without Really Trying". Amanda Woodward and Garrett Dellechiaie were our homecoming couple. We ended our year excited and ready to be seniors!

## SENIOR YEAR!

Our last year at Leominster High School, class of 2013 decided to go all out one last time. For the second year in a row, Varsity Football Coach Mr.Palazzi lead our team to another win in both the Thanksgiving game and the super bowl. We elected our final class officers, Sean Boyden as our new President, Nichole Comeau as our Vice President, Amanda Woodward as Secretary, and Wesley Young as Treasurer. Our homecoming court this year included, Amanda Woodward, Sara Kinsella, Sean Boyden, and James McKenna. Our theatre company put on the show "Seussical the Musical" and "Charlotte's Web". It's our last year to shine before we walk across that stage in June, beginning a new chapter in life. We will never forget our incredible time spent at Leominster High School.

# Congrats to the Class of 2013

To the Class of 2013,

Well, I think it's safe to say that no one - not us, not our parents, and definitely not the Mayans- could have ever imagined that this day would come. After four long years, we have finally completed high school, one of the most important chapters of our lives. After hours of MCAS testing, cramming for midterms, and staying up "just a little bit longer" to finish homework, our hard work has finally paid off. And yet, in saying this, it seems like the past four years have flown by. It seems like only yesterday we were being herded into Leominster High School for the first time as wide-eyed little freshmen, hoping that we wouldn't get lost and that it would be over soon. Now, it seems almost impossible to want to leave. How can we say goodbye to our friends, the people we have come to cherish, and, for those leaving home, our families, who have been by our sides our entire lives? The thought of leaving is bittersweet; it is exciting to think of a new adventure beginning and heartbreaking to have to end one. However, no matter where our adventures take us in life, we will always have something in common: we are all part of the LHS Class of 2013. To have a bond as concrete as this means that we can never truly say goodbye. Whether we preserve our friendships hereafter, attend our class reunions (which you all better do!), run into each other in the grocery store ten years from now, or simply have to tell someone where we went to high school, each and every one of us will remember our time at LHS at some point. We will never forget our great common attribute. And personally, I wouldn't ever want to. The friends and memories I have made in high school are ones that I hope to keep with me for the rest of my life, and I will be sure to keep LHS in my heart wherever I go. It has been a great honor to serve as your President, and I would like to sincerely thank all of you, for you helped to shape the person I am today. Good luck in all your future endeavors, and remember that LHS molded you into the person you are and will become.

Your Class President,
Sean Boyden

## Tom Browne
## Principal

To the Members of the LHS Class of 2013,

If all has gone well, you are likely reading this brief message a few days away from graduation or soon after the big day. Your years at Leominster High School have come to an end, and now you can look back and measure the success of your full LHS experience. For some of you, this may have been a difficult journey, and you should take pride in overcoming the obstacles that could have prevented you from walking across that stage at Doyle Field. For others, the past four years has been a blur of activity, a wild ride that you cannot believe is over so quickly. However, not surprisingly, you probably fall somewhere in between allowing you to celebrate all the good times and but also take away lessons that you learned when you prevailed against adversity.

No matter where your experience falls in terms of that spectrum, I am writing this note right after one of the most memorable weekends in LHS history, a weekend that demonstrates the achievements of the Class of 2013. It is the first week in December, and it is just days after the football team demonstrated discipline and teamwork in winning our second straight Super Bowl while being cheered on by a student body that personified school spirit. It is right after the Theatre Guild completed a run of three sellout performances of Seussical demonstrating the creativity and imagination that amazed a packed auditorium. Finally, it follows a weekend where students and faculty, together, showed their compassion and charity to raise funds for victims of the Columbia Hotel fire. As student-leaders in this building, you should take pride in leaving such an impression. If each of you continues to demonstrate such traits in life, there is little doubt in my mind that you will find similar greatness in your future endeavors.

Good Luck and Farewell,

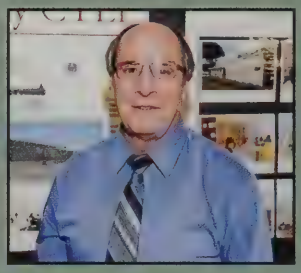

Thomas Browne

# Varsity Football

This year's varsity football team had a record of 9-4 and won it's second consecutive Super Bowl against St. John's winning the game 42-32! The team was led by captains Garrett Dellechiaie, Shane O'Donnell, Shane Fallon, Jason Reid, Jason Valera and Neil O'Connor. The team had a huge win on Thankgiving beating Fitchburg 38-22! The path to another championship was different than expected; however, the team's hard work, discipline and character turned out to be the difference. This year's senior class will go down in history as the only team to beat Fitchburg five times (twice in 2011) in a row!

The Boys Varsity Soccer Team started out slowly this year, compiling a record of 2-4-3 over the first half of the season. However, the team was able to turn it around enough over the second half of the season to qualify for the playoffs with a record of 5-5-7. The Devils went on an exciting run that left them as the last team standing in Central Massachusetts and earned Leominster High its first District Championship in boys soccer in 34 years.

The playoff run started against 5th seeded Doherty. The game was 0-0 through regulation play and two extra periods. Leominster was able to prevail in a shootout, largely due to two great saves made in net by senior, captain Rondinelle DePaula.

The second playoff game against St. John's remained scoreless for the first 78 minutes, until Enzo Mutiuzabal scored from 30 yards out with 2 minutes remaining for the game-winner.

In the District Semi-Finals, the Devils jumped to an early lead against top seeded Worcester-North. Only 5 minutes into the game, Mutiuzabal was able to score his second playoff goal off of a corner kick by Matias Curuchet. Max Delgado added a goal early in the second half, and Leominster was able to hang on for a 2-1 victory.

In the District Finals, Leominster had to play Wachusett on their home field. Leominster again got the early lead when Hector Porcal scored at the midway point of the first half. However, Wachusett was able to tie the score with about one minute left in the first half. Max Delgado scored the goal of the tournament with just under 20 minutes left in the game for the game winner, and the defense was able to hold on to preserve the win.
The Cinderella story finally came to an end when Leominster lost 1-0 to Amherst in the State Semi-Finals.

Ron DePaula was named the MVP of the District Playoffs. He was also selected as a Midland A All-Star and a Central-Mass All-Star. Matias Curuchet, Mathias Cotto, and Enzo Mutiuzabal were also selected as League All-Stars in the Midland A.

**The Girls Varsity Soccer Team had a very competitive season this year. For the seniors, it was the best season by far. The seniors had never seen a team with as much chemistry as the team had both on and off the field. Under the leadership of Coach Lane and the Captains Jennifer Bergeron, Kimberly Proietti, Katerina Stassen and Quinn O'Connell, the girls Varsity Soccer Team became a fun, united and stronger team than ever before. The soccer program is really begining to come together as a whole and should continue to grow for more years to come. The Girls Soccer program has transformed into something special, the seniors feel privledged to have been able to play with the group of girls they did during their last season. This team created many memories that the seniors will never forget. Coach Lane, as well as the rest of the Varsity team, has high hopes for the next season as well as the years to come.**

The 2012 golf season saw the team on the move once again as it moved up the Route 2 corridor and made its home at Gardner Municipal Golf Course in Gardner, Massachusetts. For this year's seniors, who included captains JT St. Jean and Tyler Wade as well as Connor King, Matt Fitch and Michael Howard, it was their fourth different course in the past four years.

The team struggled out of the gate and never was able to put together a winning streak of longer than a match in compiling a 5-12 record. The team placed fourth in the Mid-Wach A League Tournament which was held at Townsend Ridge Country Club. Despite not qualifying for district competition as a team, Senior Connor King represented LHS as an individual in the Division One District E championship that was held at Gardner Municipal.

The Scoring Champion for the 2012 season was Connor King who averaged 41.36 strokes per round and he led the team with nine team medalist honors. Freshman Noah Crotty was selected as the Coach's Award recipient while Connor King swept MVP and MIP honors for the season.

With the infusion of some talented freshmen who will be upperclassmen next year, along with the leadership of elected captains Adam Leger and Xavier Viera, the team looks to return to the postseason next year after a two year absence.

# Wrestling

Though the team once again struggled with numbers and failed to fill a full roster they tripled their win total from the previous season. The kids that stuck through really showed a lot of determination and grit and each and every one of them have come a long way since they started wrestling. While the team did not have many opportunities to win, individually we had a lot of success this year and I have been proud to be their coach. Our core group of seniors have done an outstanding job this year, leading by their actions and forging a strong, albeit small, group of wrestlers this season and in years to come. They will be sorely missed next year but have helped form a group of underclassmen that are ready to fill their shoes.

The girls on the Varsity Girls Basketball team did well during their 2012-2013 season. They pulled off a record of 8-12 at the end of the season which proved to be an interesting one as the girls dedicated the entire year to Coach Grutchfield's son Jack. The call to battle was "All Jacked Up!" which motivated the girls to do 110% each game. Seniors Katarina Romano and Elizabeth McNiff, who have played basketball at LHS during their whole highschool careers, will miss being Lady Devils and wish the teammates that they are leaving behind goodluck for next year's season. This year proved to be an inspirational one for all the girls, Coach Young and Coach Rooney.

The Leominster High School indoor track team has been practicing and preparing for their season. The program is ran by a former Blue Devil graduate, John Delgiudice. He ran four years of track while attending Leominster High, then ran for four years at Worcester State University. Delgiudice has different methods of coaching. His unique way to breakup mundane practices, instead of running and practicing drills the entire time, the team does other drills to build endurance. The boys in indoor track strive for their best and achieve what they never thought they could.

When it comes to high school sports, most people think of football, basketball, ice hockey, and baseball. One sport that is played both indoors in the winter and outdoors in the spring encompasses most of the workout skills athletes need to compete in the other sports. Although these girls compete as a team, track is a very individualized sport with the athletes trying to beat their own personal best when it comes to event times and most of the athletes enjoy the self competition. As the weather gets warmer it will most likely be the track team running the streets around Leominster High School, if you happen to be in the area in the hours when school is dismissed.

This was our strongest season in years! We had 48 swimmers on the co-op team this year with swimmers from LHS, Monty Tech, North Middlesex, Fitchburg, and Oakmont. We won three meets against Gardner, Worcester, and Nashoba.

At the Mid-Wach League Championships, our girls placed 9th, boys 6th, and as a combined team we placed 8th. We saw tremendous improvement in all of our swimmers over the season. Led by captains Kim Contreras, Kathryn O'Friel, and Olivia Ouellet, our team members came together at every meet to support and push each other to swim smart and swim fast.

Our 200 Freestyle Relay of Kenyon Kowalski, Devin Farnsworth, Tino Dandini, and Tomielee Graca qualified for the Massachusetts South/Central Sectionals Championship. Junior Devin Farnsworth qualified for both Sectionals and States in the 50-yard Freestyle. He placed 27th at States.

Congratulations and good luck to all of our eleven seniors! Special thanks to our 4-year swimmer Kim Contreras. We wish you the best. Just keep swimming!

LHS

Class of 2013

From New York to England to Idaho to New Mexico to Massachusetts...Your life's experiences will build the path for your dreams...
We hope the days come easy and the moments pass slow. And each road leads you where you want to go. If you're faced with the choice and you have to choose, we hope you choose the one that means the most to you. And if one door opens to another door closed. We hope you keep on walkin' 'til you find the window. If it's cold outside, show the world the warmth of your smile.

Our wish for you is that this life becomes all that you want it to. Your dreams stay big, your worries stay small. You never need to carry more than you can hold. While you're out there gettin' where you're gettin' to. We hope you know somebody loves you. And wants the same things too.

We hope you never look back but you never forget all the ones who love you and the place you left. We hope you always forgive and never regret. And you help somebody every chance you get. You find God's grace in every mistake. And always give more than you take.

Love and hugs,

Shayne, Mom, Madelyn, Sean & Ricker

**The 2013 Girls Spring Track season proved to be very exciting. It had its ups and downs. We suffered injuries to top performing athletes Antonia Iaquinta, Erin McDowell and Deliciana Montoya. Despite these setbacks it was the first time in many years that we posted an overall winning record. A big reason for the team's success was the leadership of captains Katerina Stassen, Sadie Marciano, Jennifer Bergeron and Audra Harris. The distance team was led by seniors Marciano, Harris and with standout performances by Gina Mician, Kelsey Bedard and Hannah Buckley. Middle distance and sprinters were led by Stassen with excellent performances by Maggie McEvilly, Debbie Okpoebo, Erin Stephenson, Mary Okyere , Adriana Rodriguez and Jemina Shepherd. Our field event crew was led by Bergeron with first-rate performances by Rosette Nkanka, Samantha Shepherd and Heavenleigh Daniel. This year's team also broke the school Distance Medley record set back in 1978 with a time of 13:58.8. The relay team consisted of Nkanka, Shepherd, Buckley and Mician. As coaches we are proud of the entire team. The enthusiasm and dedication displayed set a high standard for future teams to follow. Thanks for an incredible season ladies. As we all heard our class song, Whenever You Remember, By Carrie Underwood, we all took in our last moments of being high school students. We walked across the stage, overwhelmed with joy; realizing that we were starting a new chapter in the book of our lives. Congratulations 2013 Grads, We Made It!
